## Anybody Can Cartoon!

*All levels and ages are welcome!*

**Instructor: Benjamin Hummel**

Cartooning is a great and expressive storytelling device. In this fun class, you will learn about some of the basics of cartooning. We will start by creating our own characters and will utilize model sheets, bio pages and other methods to draw them consistently. Learn about storyboard and effective communicative techniques. We'll also talk about the nature of caricature and how it can be applied to your cartoons. We welcome all ages to participate.

Thursdays 6:30–8:00 pm  
**Session: Feb 23 – March 22 (5 weeks)**

**MEMBER & RESIDENT RATE: \$35/session**  
**NON-RESIDENT: \$75/session**

## Painting Landscapes

*Age 16 and up* **Instructor: Benjamin Hummel**

Take advantage of the wonderful scenery Colorado has to offer by learning some basic landscape illustration techniques. Observe how to quickly capture color studies and learn the "anatomy" of a landscape painting. We'll start indoors, learning to paint from a photograph, and as the weather permits, we'll spend the last couple of weeks painting on location in "open" air. Some painting experience is recommended. The perfect sequel to "Painting with a Broad Brush".

Mondays 6:30–8:00 pm **Session: March 26 – April 23 (5 weeks)**

**MEMBER & RESIDENT RATE: \$35/session** **NON-RESIDENT: \$75/session**
